As per orders of the Hon'ble Minister for Finance & Industries at para 19 supra, the President, District Board, Chitaldurg and the President, Town Municipal Council, Chitaldurg were requested to intimate whether the Dt. Board and the Town Municipal Council can each contribute 20 per cent of the expenditure, the balance of 60 per cent of the cost being met from Government. In reply the President, District Board, Chitaldurg states that the District Board is agreeable to contribute 20 per cent of the expenditure. But the President, Town Municipal Council, Chitaldurg in forwarding the resplution of the Municipal Council states that the Municipal Council will contribute 20 per cent of the cost only for this year and that Government may meet the entire expenditure from next year and onwards. This view of the Municipal Council Chitaldurg is not acceptable.

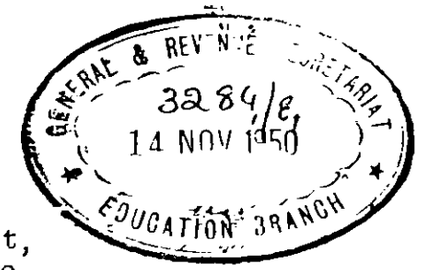
No. 544
Encl.—

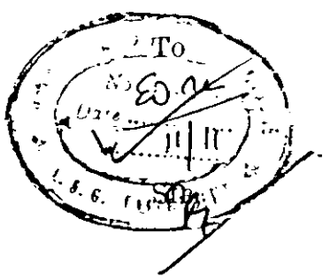
Department of Archæology,

Mysore, 10th November 1950.

FROM

THE DIRECTOR OF ARCHÆOLOGY,
MYSORE.





The Secretary to Government,
Local Self-Government Department,
Bangalore.

Establishment of a Museum of local antiquities at Chitaldrug.

With reference to your letter No.E.6241 dated 25-9-1950, I have the honour to state as follows:

By virtue of G.O.No.E.10484-8/Archy.8-47-6 dated 21-3-1950 the total grant sanctioned for opening the Museum is Rs.1900/- (Rs.650/- for recurring and Rs.1250/- for non-recurring expenditure).

Since the Museum is expected to be opened during this month the minimum expenditure that may be incurred during the remaining portion of the current year would be as under:

a) Non-Recurring:	i) Furniture	...	Rs.400/-
	ii) Contingency	...	Rs.150/-
b) Recurring:	i) Establishment	...	Rs.400/-
	ii) Contingency	...	Rs. 50/-
		Total ..	Rs1000/-

The balance available under the Special Charges at present is about Rs.3100/-. A sum of Rs.2000/- might at least be required to meet the further items of expenditure in the Department during the remaining part of the year. Thus a sum of about Rs.1100/- would be available under this head to meet the expenditure in connection with the Museum as mentioned above. I request that I may kindly be permitted to incur the expenditure from the balance available under Special Charges in the current year's budget of the Department.

In this connection I beg further to state that the local people have been pressing me to organise the Museum at Chitaldrug immediately. The two rooms on either side of the Rangayyana Bagilu have been made over to us for the purpose by the Chitaldrug Municipality. Sri Hullur Srinivasa Jois, a leading person of the place, who has been

taking a good deal of interest in the subject has been appointed Honorary Curator. A trained Attender and a peon of this Department are being transferred from Mysore to Chitaldrug to help the Curator. Certain articles of furniture have been purchased locally and these, along with a representative collection of antiquities, photographs, etc. are in the course of being transported from Mysore and displayed at the Museum. A short note on the historical objects, etc. of the Chitaldrug District has been prepared for publication on this occasion with suitable illustrations. It is requested that Government may graciously be pleased to approve the action taken by me in this behalf and convey, very early, their approval in respect of the proposals made above in this connection for meeting the expenditure.

Yours faithfully,

Dear Sir,

Subject: Starting a Museum of Local Antiquities at Chitaldrug.

Further to my D.O.letter No.224/one of yesterday, I am enclosing herewith a copy of D.O.No. 153/50-51 dated 23rd July 1951 received from the Deputy Commissioner, Chitaldrug District, Chitaldrug, in the matter and to request you to be so good as to kindly intimate whether an exhibition of antiquities reflecting the history of the Chitaldrug District may be arranged in connection with the ensuing visit of His Highness the Maharaja to Chitaldrug. It would of course be convenient to house the selected antiquities, photographs, lithographs of inscriptions etc., that will have to be shifted to Chitaldrug for this exhibition in the museum of antiquities proposed to be established there. Steps will also have to be taken thereafter to equip the proposed museum with the necessary furniture viz., show-

photo-frames, stands, etc., after sanction of Government is accorded to the utilisation of the funds provided for the purpose in the Budget of the Department for the current year. I solicit the favour of very early instructions in the matter which would facilitate any further action that may have to be taken in this connection.

The President, Town Municipal Council, Chitaldrug has been urging the starting of the Museum immediately (copy of letter No.H.C.38-3/51-52 dated 13-7-1951 received from the President, Town Municipal Council, Chitaldrug, is enclosed herewith for ~~yours~~ kind information). But I am afraid even the preparation of the necessary show cases, stands, photo-frames and other fittings alone would take a minimum period of three months and arrangements for the display of antiquities, photographs, charts, etc. will have to be done thereafter. In the circumstances, I think it

is ~~necessary~~ rather difficult to organise the Museum before the proposed visit of His Highness the Maharaja to Chitaldrug during the first week of next month.

I solicit kind instructions as to whether the President, Town Municipal Council, Chitaldrug, may be informed that it is premature to include a visit to the Museum of Local Antiquities, Chitaldrug in the programme of H.H.the Maharaja.
